#### *Culture by Design, Not Default*

*This month, we're bringing together a great panel to explore how culture—not just systems and maintenance—drives operational success in facility management. Moderated by Allen Rejonis (Environmental Painting Alternatives), we'll hear from facility leaders across distinct environments: Maria Gonzalez-Burgos (FOM Solutions Consulting), Shaun Andrews (Valencia College), and John Braun, SMA, LEED AP (Parmenter Realty Partners). Expect real stories and practical takeaways on how intentional leadership shapes reliability, tenant and guest experience, safety, and team performance—plus live audience Q&A.*
